CUDDLY

In a happy prelude to Christmas morning, these cuddly, stuffed toys proved almost irresistible to Dianne Garbutt, 6, and her brother Jay, 5, seen here as they hug them close during the Minden Figure Skating Club's Christmas Bazaar and Bake Sale held at the Progress office recently. Despite simply awful weather, the Bazaar proved most successful, raising some \$70 for the club. Winner of the draw for the giant Panda was Kimberly Ann Robinson, three-month old daughter of Dorothy Ann Robinson.

The Haliburton Highlands Chamber of Commerce

We would like to clarify one more time that the Chamber has not at this time dropped out of the Central Ontario Travel Association. We have fully paid our membership in that organization until April 1, 1978, and shall remain a member until at least that time. The resolution passed by our board of directors states that we will not be renewing our membership at that time if membership fees are increased as they have suggested, and the participation on their board cannot be brought back to full strength. The original six tourist councils that made up the board have now dropped to four, and at least two of these we are sure will not be able to raise the funds required for the increased membership fees. The fee structure and benefits as currently suggested represent an increase of over 81% in fees with a decrease of 13% in the benefits from what was originally provided. President and Manager of Central Ontario Travel Association were invited to attend our next directors meeting on January 4 if they wished to discuss this further with our board.

While compiling data on the water level survey from the cottagers we had some interesting replies in regard to cottagers shopping habits in Haliburton. Quite a number suggested that they did not shop locally as the prices were too high. We have often felt that this may be more of an image than a fact and this feeling was reinforced this week by a report on the CBC northern network. Every week comparison shopping is done in a number of small towns and last week a comparison was done between Haliburton Red & White, Minden I.G.A., and Dominion Stores in Lindsay on 19 items of fresh produce. The results showed only a .5% difference in the prices in Haliburton and Minden, and a shocking difference of 13.5% difference in those two stores and Lindsay Dominion. Now before you jump to conclusions that is the Lindsay Dominion Store with 13.5% higher in price than both Haliburton and Minden. That our stores' could be that much cheaper than Lindsay in an item like fresh produce and at this time of year would certainly indicate that it wouldn't always pay to shop south of our County. In conversations with many of our merchants we have found that they are accepting lower mark ups due to their somewhat lower overhead and wages and if you shop wisely there is no reason why you can't do as well or better here in Haliburton than anywhere else.

We are pleased to hear from committee chairman Marshall Leighton that his downtown renewal project is generating some interest. It is hoped to have at least two meetings over the next six weeks in Haliburton Village to investigate further the possibilities of providing the village with a facelift working with the downtown revitalization program. Much of what we learn based on these meetings may be used in consideration of helping other communities in the County with a similar program.

Our advertising and promotion committee is busy finalizing plans for our 1978 Directory brochure. It has been decided to go with a completely new format as opposed to the type of book we have used over the last several years. A book is being designed which hopefully will key all the advertising to maps of various areas so that your advertisement will not only explain what you're selling, but pinpoint exactly where you are located. They are just now finalizing what the cost of such a book will be in order to establish the rates of advertising and we expect to have a newsletter out to all members by the first week in January with a full explanation of this program. This book is designed to compliment our new County Map which was published for the first time this summer, and in total give our prospective tourists more information on the area than they have ever been able to obtain in the past. We know you will want to be part of this book, and are firmly convinced it will greatly benefit businesses of all kinds in the County.

On behalf of the staff and all the board of directors of the Haliburton Highlands Chamber of Commerce we would like to extend at this time a very sincere wish for a Merry Christmas and a Happy and Prosperous New Year to all our members and friends. May '78 be the biggest year yet.

DIRECTOR RESIGNS

Cites refusal to hold meeting, and own conflicting roles

Haliburton Highlands Chamber of Commerce director John Teljeur resigned from the Chamber's Board of Directors last week.

He gave as his reason the refusal of the Board's management committee to call an immediate and special meeting of the directors over the Board's decision to drop its membership in the Central Ontario Travel Association (COTA). Early this month the Board invited COTA representatives to its next meeting in early January.

But this week Mr. Teljeur indicated that the reasons for his resignation went deeper than just the refusal of his request.

Expressing some embarrassment at his recent and sudden publicity, Mr. Teljeur said he found his role as Vice-president of COTA in conflict with his position as a Chamber director and blamed himself for 'not doing a better job in explaining COTA's case to our directors'.

He said he was particularly worried that the Chamber would now miss participation in Metro Toronto plaza displays and shows other than the Sportsmen's Show and expressed concern over participation in COTA's enquiries mailing list.

Mr. Teljeur owns and operates Deer Lodge. Late last month the Chamber's Board decided not to renew its membership in COTA for 1978-79 unless COTA returned to its original six-member status and left membership dues unchanged at the \$2,750 per year of past years rather than the \$4,000 a year now planned.

The Board's decision was based on Mr. Teljeur's report on the status of COTA presented by him just minutes earlier.

'Based on the information I had at that time I agreed with the Chamber's decision to dropout of COTA', said Mr. Teljeur. 'Now I feel the situation has changed'. 'If I sounded negative

at the time I was rightfully so', explained Mr. Teljeur who said that COTA manager George Colling had indicated to him the Kawartha Tourist Association was facing bankruptcy and that he believed other COTA members were about to drop out for financial reasons. 'I wasn't at all sure COTA would even survive', he said.

Mr. Teljeur said that he now believed this was not the case; that in a surprise move Hastings, as well as Kawartha and Quinte Isles were continuing on, while Pine Ridge and Simcoe were continuing each with a county representative on COTA. He said he then felt the situation had changed and that the Chamber's directors should hold an immediate special meeting with COTA reps so that 'we could get in on the advertising program'.

As of the first of this week Kawartha had yet to decide whether or not to remain in COTA.

Meanwhile, COTA has not said if its representatives will attend the Board's next meeting in early January. 'When we were first a part of COTA the combination of an administrative grant plus funds for local advertising and promotion totalled \$5,750,' explained Chamber Manager Bob Stinson. 'Our fee came to \$2,750. Now the fee is up to \$4,000 (82 percent) while our benefits are down to \$5,000 (13 percent)', he said. Many of the Chamber's directors feel that this trend, coupled with increasing less local control over projects has made participation in COTA not only uneconomical but awkwardly unworkable.

THE ASSESSMENT ACT

NOTICE TO PROPERTY OWNERS AND TENANTS

As a result of a delay in the passage of recent amendments to The Assessment Act, the normal return of the assessment rolls in municipalities and localities in Ontario will be delayed.

The Honourable Margaret Scrivener, Minister of Revenue, has therefore extended to January 19, 1978, the date upon which the annual assessment roll is returned in all municipalities and localities in Ontario, EXCEPT those municipalities located in The Regional Municipality of Waterloo where the day upon which the assessment roll is returned will be extended to March 16, 1978.

This extension affects the time period during which owners and tenants may appeal their assessments. As a result, the final date for lodging a complaint with the Assessment Review Court in respect of any assessment contained in the assessment rolls is extended from January 19, 1978 to February 9, 1978. In The Regional Municipality of Waterloo the date for lodging a complaint has been extended to April 7, 1978.

Kids have a ball

Close to 50 Minden area youngsters had themselves a ball last Saturday and in the process the village Library Fund became \$100 richer. It was all courtesy of Robert Case Realty Limited who sponsored the horse-drawn Library Fund Wagon that hauled the youngsters on an exciting ride through Minden before hot dogs and cokes, again provided by Case Realty at their offices who then donated \$100 to the Library. Clockwise from the top: the wagon unloads at Case Realty; Jeanne Sears accepts the Case check from Case manager Alf Wickens on behalf of the Library; two of the happy youngsters, fresh from their wagon ride Marjory Phillips, 4, and brother Jeremy, 2, gather about the Case Christmas tree

School Board chairman resigns, new trustee picked

The Haliburton County Board of Education last week moved to fill a vacancy on the Board and picked a well-known Haliburtonian Scotty LaRue to do it.

Mr. LaRue was selected on the recommendation of Rick Poole whose place he takes on the Board of Education. Chairman of the Board and a member of that body for some half-dozen years, Mr. Poole left to take a position with the Hudson's Bay Company in Winnipeg.

Acting Board chairman until the Board's January meeting is Vanetta Pickens. The appointment of Mr. LaRue who has yet to seek election to the Board of Education, brought cries of dismay from runner-up Tom Little.

When voters went to the polls a year ago they elected four from Dysart et al. First runner-up was former Board member Dennis Weymouth, who now works for the Board of Education and is precluded from serving, followed by Mr. Little.

Commenting that he is 'disappointed, frustrated, bitter' Mr. Little said he felt the Board should have picked him because '400 voters supported me'.

'Scotty didn't run at all', he said.

The Board is under no compulsion however, to select an election runner-up as a replacement for a retiring or resigning member.

A Board of Education can

actually pick virtually anyone it chooses.

'Scotty was selected basically because Rick Poole suggested his name in his letter of resignation', explained senior member of the Board Len Salvatori. Mr. Salvatori went on to say that at Mr. Little was an unknown quantity to most of the Board members and had 'never once attended any of the Board meetings'.

Is Tom Little going to throw his name in the election ring again next Fall? 'I really don't know', Mr. Little said, 'the whole thing had been quite a blow and I don't know whether I can pick myself up and get into it again or not'.

Progress Holiday

The Progress office will be closed for the Holiday Season until Monday, January 2, 1977. There will be no edition of the Progress on December 28.

Report from Queen's Park

John Eakins, M.P.P.

The Premier has admitted that he has no short-term answer to the unemployment problem, and that his government does not accept the concept of massive government spending to create jobs. Attacked by both Opposition Parties in the Legislature, he said 'I'm not going to lead the members of the House astray and say that we have up our sleeve a large number of short-term programs that, in our view, would not deal realistically with the problems we face.' He said he would present proposals for curing national unemployment when Prime Minister Trudeau calls an expected conference of first ministers in February. Members questioned the Government in the House about the Ogoki Wilderness Lodge on Whitewater Lake about 160 miles north of Thunder Bay. The cost of this lodge, originally intended to be a simple rustic affair, has jumped from initial estimates of \$300,000 to \$1 million, financed under a federal-provincial agreement involving DREE and the rural development branch of the Ontario Ministry of Agriculture. DREE financed most of the construction and the province assumed responsibility for administration. The project manager of this Northern Ontario hunting lodge built by an Indian group, brought in his brother from New Zealand as an engineer and hired his girl friend as a bookkeeper, apparently. They were paid 'twice the going rate' according to a report by a consultant retained by the Ogoki River Guides Ltd. who also reported that transportation costs on the project were excessively high because of poorly organized flights for equipment, the use of a Cessna 180, which he said was wrong for the job, and the lack of radio communication from the site base. 'In the absence of a radio link the aircraft is often used as a taxi and the pilot is the equivalent of a long distance telephone operator'. Responding to concern about reports of leaks of confidential medical data to the RCMP, OPP and others, the Ontario Government has appointed an Ontario Supreme Court Judge to head a provincial inquiry. However, the judge will have no power to investigate specific past abuses of confidentiality. His task will merely be to inquire in-

to current procedures for the safe guarding of such data. The Attorney-General tabled a legal opinion which indicates that although OHIP employees and police officials (and possibly others) probably have broken the confidentiality sections of the Health Insurance Act, no prosecutions should be carried out. Liberal Leader Stuart Smith has expressed the fear that some people might not go to doctors or hospitals if they believed that their medical history was readily available to police investigators. 'I wouldn't want the police to be held back from doing their duty', he said, 'but I'm concerned that, for example, someone might not come for treatment as a habitual child abuser because of fear of the police'. People ought to feel that their medical files are confidential unless police have a demonstrable need for information and are 'not just on a fishing expedition'. The largest single industrial source of sulphuric-acid pollution in North America will be granted an extension to continue pumping thousands of tons of sulphur dioxide a day into the air over Northern Ontario. The Minister of the Environment has stated that Inco Ltd. in Sudbury cannot meet a Government-imposed control order to reduce these emissions from the present 3,600 tons a day to 750 tons a day by December 31, and a new control order is being drawn up by his ministry. Opposition parties will force the Government to change its mind about allowing Ontario companies that buy broadcast advertisements in the United States for a Canadian market to deduct their costs from provincial income tax. A subsection of a bill to amend the Corporations Tax Act, being considered at present, said that Ontario would not follow the lead of federal legislation disallowing the deduction from income tax. That would have meant that Ontario companies advertising on Buffalo television, for instance, while not able to deduct the amount spent from federal income tax, could have claimed it as a deduction from provincial income tax on corporations. Opposition members believe federal and provincial legislation should be consistent in this regard.

Think small

by Jim Smith

Musical Ministers

One of the more traditional parlour games starts with (a) some players, (b) a number of chairs equal to one less than the number of players and (c) a source of music. The music plays while the players prance around the chairs. When the music stops, the players rush to the empty chairs. Whoever is left standing is out of the game. And the game continues until there is only one player.

In Ottawa, they've taken this old favourite — called "musical chairs" — and modified it for political players. Several cabinet members occupy the ministerial chairs. Every few months, the political tune changes and the ministers are shuffled into other chairs. Some of the ministers are left without chairs when the music resumes. Most of the others fall into chairs that are different from the chairs in which they started.

All of this is considered good fun in Ottawa. But "ministerial chairs" costs the Canadian public dearly. At this very moment, virtually no minister in all of Ottawa truly controls his ministry.

Most people, hearing this news of ministerial eunuchy for the first time, are shock-

ed. More surprising, however, is the fact that some ministers do have at least a partial grasp on their portfolios. After all, the game of ministerial chairs doesn't provide enough time for the average human to gain control of such a complex function as running a government ministry.

The Post Office, for example, has had no fewer than six different ministers since the start of 1966. Is it any wonder there has been trouble in the department? Even at that, however, the ministry has enjoyed more stability than National Revenue or Consumer and Corporate Affairs (eight ministers each since January, 1968). Apparently, ministers who understand their portfolios are considered dangerous.

The upshot of all this movement has been transfer of control from elected officials to senior civil servants. At one time, deputy ministers existed to translate ministerial edicts into action. Today, deputy ministers are the true directors of their departments while ministers have become figureheads. Probably no Minister of National Revenue since Herb Gray (October 1970 to Oc-

tober 1972) has truly understood the Canadian tax system.

There are people who believe that this is not cause for concern. The civil servants, the theory goes, are quite capable of running the country. That, in fact, may be the case (though the evidence suggests otherwise). However, our constitution contends that elected representatives should run the country, leading — not being led by — the civil servants.

Compounding the difficulty, the deputy ministers are appointed by the Prime Minister. Consequently, undue power is placed in the Prime Minister's office. Unfortunately, the P.M.'s office is the only part of Ottawa which has an idea of the overall picture.

Democracy is still the most cherished of Canadian ideals. But democracy cannot exist when the bureaucracy is stronger than the politicians. It's time to put an end to parlour games in Ottawa.

"Think small" is an editorial message from the Canadian Federation of Independent Business ©

A Christmas Message**Our Lady
of Fatima Church**

FR. GARRY LEAHY

EMMANUEL - GOD WITH US

Emmanuel - the word means in Hebrew 'God with us'. One of the realities about which God often reminded his people in the Old Testament was his continuing nearness to them. Ps. 68:16 speaks about the mountain (Sion) where God has chosen to live forever.

It seems that God's people did not always listen to Him however. The books of Kings and Samuel provide ample evidence that the nation from the greatest to the least forgot the God who lived among them. The formula 'He did not do what is pleasing to God as his ancestor David had done' may be applied to the ordinary citizens of ancient Israel as well as to their kings.

The problem of course was that because they forgot the nearness of God, because He seemed to be far away, people were reluctant to place much trust in Him. The prophets often scolded their people for trusting in foreign alliances rather than in the God of their fathers. Well, human nature doesn't change much. If the ancient Hebrews often failed to trust God are we really any different? The talent that most of us have developed for worry and ulcer formation suggests strongly that we are not. The Christmas season reminds us gently through a newborn infant that what God has told us over and over again remains true. He really is Emmanuel. He is with us and he loves us and he is on our side calling us to share his life and love.

An old English Carol tells us: 'God rest ye merry, gentlemen.' There is indeed reason to be merry if only we can believe in the unbelievable nearness of God. And so gentlemen - and ladies: God rest ye merry.

**Bizarre death
ruled suicide**

The bizarre death of an Oakville motorist found shot and burned behind the wheel of his smashed car has been ruled suicide.

Police say there will be no inquest into the death of Josef Teufel, 45, found by three hunters on a dead-end road off the Howland Junction Rd. north of Kinmount. Teufel's car had collided at speed with a tree at the base of a 100 foot cliff some 40 feet past the end of the road.

Death was caused by a shotgun blast through the head. A single barrel, 12 gauge shotgun was found in the car.

A fire, meanwhile, had partially gutted the car's interior, the victim sustaining burns to the head and face.

A plasterer of German extraction, Teufel was estranged from his wife.

**Bridge rated at 20-ton
capacity...not to worry!**

An appraisal study has rated Minden's Sunnybrook bridge at a capacity of 20 tons but trucks of all sorts can safely use it as long as the load they're carrying is within the trucks' legal limits.

This was the opinion of Eric Booth, professional engineer with the consulting engineering firm of Totten, Sims, Hubicki Associates Limited who conducted the study.

Mr. Booth's answer came in reply to questioning by

A Christmas Message**Minden
Gospel Church**

Pastor and Mrs. Ron Thornton

CHRISTMAS JOY

Have you ever noticed that no matter how many new or contemporary songs are introduced at Christmas time, it is still the Christmas carols that are favored the most. Perhaps it is due to the desire to retain something of the traditions of past Christmases. People are most comfortable with the 'familiar'.

This year we would like to direct your thoughts to the words of one carol in particular, 'Joy to the World'. This is one of the best known Christmas carols, but have we really stopped to consider the thought contained in it? Why should we sing with expressions of joy? What great proclamation is to be given?

'Joy to the world! the Lord is come!'

This is 'front page' news, worthy of our attention. What are we to do with this news?

'Let earth receive her King; Let EVERY HEART PREPARE Him room;'

The promised Messiah, Saviour, King has come to earth for ALL peoples of this earth. Yet, as the song indicated, each individual heart must prepare to receive Him. When we are ready to receive Jesus Christ, the King of Kings as our Lord and Saviour, we establish a personal relationship to God. We sing with new-found 'Christmas Joy' because this personal relationship with God reaches every area of our lives.

'No more let sins and sorrows grow,
Nor thorns infest the ground;
He comes to make His blessings flow
Far as the curse is found.'

The Bible describes the 'curse' or wages for sin as eternal death or eternal damnation and separation from God. Romans 6:23, 'For the wages of sin is death; Christmas reminds us of God's intervention for man. Jesus came as a babe in Bethlehem but grew up to become the Man of Calvary's cross.

Now we may complete Romans 6:23,

'For the wages of sin is death; but the gift of GOD is eternal life through Jesus Christ

**MERRY
Christmas**

It brings everlasting warmth and gratitude to our hearts to share the Christmas Season with our wonderful friends.

FROM THE STAFF OF HALIBURTON & MINDEN OFFICES

Bowes & Cocks Limited

our Lord.'

When God presented Jesus Christ to the world He gave of Himself. We DO HAVE cause for rejoicing if we have followed the directions of this Christmas carol and prepared our hearts to receive our King and Lord. The message of Christmas 1977 is the same message received at the very first Christmas.

'Joy to the World! The Lord is Come!'

To each of our friends and neighbours in Minden and surrounding communities, we wish for each of you a Christmas full of joy, and a happy New Year.

*Gather 'round the tree for song . . . laughter.
Rekindle friendships . . . extend good tidings to all.*

Hall's Lake News

Doreen Stinson

Wintery weather, more snow, then milder. On Saturday the sun shone brightly and with the trees still snow-and ice covered, the countryside looked like one of those pretty silvery Christmas cards! Yes, it's beginning to look a lot like Christmas.....!

The mailman comes regularly and it is nice to see the Rev. Amos Brubacher back on the mail truck after having been laid aside through illness and surgery. Despite the troubles in the main depots, we must give credit where credit is due, and the local Postal service is pretty faithful through strikes and storms! Thank you to all the Staff down there and on the roads these unpredictable days.

How nice to have the Rev. David Barker introduced yesterday to the Parish of Minden, and his nice little wife Shirley and son Michael who slept all through the Service at St. Peter's yesterday. The new Minister is a most sincere and devout Churchman and with his great desire to get to know us all, to visit, to bring the churches together, and with our great need for this endeavour, surely things will work out well. Try to attend either the services at St. Paul's or St. Peter's THIS CHRISTMAS.

The Stanhope Firefighters' annual Christmas party for Seniors and families of the Firemen, was a decided success on Saturday afternoon. Held in the beautiful new hall adjoining the Firehall, it was well worth seeing with its nice floors and well-equipped kitchen facilities, pretty curtains, nice chairs and tables and other appointments. Mr. Graham, the Magician, kept everyone enthralled with his magic tricks. He also had a clever dog who could add up simple sums and give the answer by barking! Ray Johnson led the carol singing on his guitar and some of the children favored everyone with duet numbers. A delightful lunch was served, buffet style. Everyone left with an orange and a happy smile, the end of a pleasant afternoon and thanks to the Firemen for putting it on.

The Auxiliary Christmas Party for the Residents of Hyland Crest last Thursday afternoon was another happy event of the Season. The Home looks especially beautiful this year with its streamers, its lights, its trees and painted windows. Santa Syd and Pussy Cats Lil and Jackie worked overtime to get the bounteous tree gifts distributed to every man and woman. 'Pop' Hart did his usual musical part on the organ, and the ladies of the Auxiliary passed out delicious goodies and hot tea. We saw many opened parcels of attractive jewellery, pretty little ornamental flowers, scarves and pins, cameos and sparkling necklaces and all kinds of toiletries! Things the residents like to receive and can use. Some sat and cuddled their parcels, keeping them well done up until their Christmas morning festivities begin. They certainly go 'all out' down at Hyland Crest to make each occasion a special happy time for all the Residents. Merry Christmas to you all down there!

Nice to hear some of our local people are staying home for the Holidays and expecting all sorts of company from all over the Countryside. Here is hoping the roads keep clear for safe driving.

It was good to see Mrs. Mabel Sawyer, Mrs. Edith Russell, Mrs. Cora Hewitt, Mrs. Norma Davies, Mrs. Louise Watson, the Archers, Mr. Fader, Mr. Oscar Sisson, Mrs. Louise Bishop, Mrs. Mary Oliver, Mrs. Audrey Wilkinson, Mrs. Ethel Harrison and many, many more out to the Firefighters' Party on Saturday.

Mr. Albert Hart returned home for a few days last week but left again to spend his Christmas with Thelma and Bill and Kelly Small.

The New Year's Party at Club 35 is bound to be a good one, with the demand for tickets being more than could be supplied and all items of planning well in hand. Mr. Ballard will be on hand with the music, Florence Lindsay and Ida MacLachlan have the food well planned, prizes and favors all in readiness, to say nothing of the Midnight Frolic with the balloons in big hammocks overhead ready to be lowered at the stroke of Twelve!

It was good of the Stirlings to send through a nice donation to St. Stephen's Church at this time of the year, and we are all grateful for their interest.

We are sure a lot of the Seniors, especially those who live alone and cannot get out without help, will be glad to hear of the service the Winter Works Program is prepared to

give them this year. Call the Stanhope Office, Mr. Gerald Bain, if you would like the boys to clear out your walkway of snow. The notice was in the paper last week and Mr. Sinc Nesbitt, our Reeve, made the announcement on Saturday.

Good to hear from some of the locals who have already arrived in sunny Florida and send them our Best Wishes over the miles.

Had news of Miss Ella Forsyth who has safely arrived in Kenya, East Africa and beginning her work there with the A.I.M. (African Inland Mission). This was a great dream Miss Forsyth has had for years and it is wonderful to know she is at last there doing a job and helping out in the Missionary Field, and this in her 'retirement' yet! How we do admire people like this who just don't give up!

And now may we thank all those who have encouraged us during the year, those readers who call in, those who have given us their Friendship and Loyalty and Help, and we wish you all wherever you might be this Happy Christmas time -- a safe, happy and blessed Christmas and New Years!

Poor communications results in costly duplication

Lack of communications between two local municipalities has led to the unnecessary duplication of a much needed service.

Early this past Fall Minden Ambulance Service, with an assist from Anson, Hindon and Minden, sparked a drive to fund the purchase of a mobile incubator at a cost of \$2,300 for the safe transportation of critically ill premature babies to hospitals outside the County. Minden planned to make the machine available to all County communities and had already begun soliciting and accepting funds from across the Highlands.

Then last week council learned that Dysart has been awarded an Atkinson Foundation grant to purchase the identical machine. Council was told that the Dysart application had been made last Spring but that the municipality had been warned at the time to say nothing about it until an announcement had been made by the foundation.

Meanwhile, with \$1,150 already in the kitty, including \$25 donations from each of eight Haliburton County municipalities, Minden decided there was no turning back at this point and

will go ahead with its original plans.

LETTERS

Minden Progress,
Minden, Ont.

Dear Editor:

Congratulations to our Minden Post Office. We received a Christmas card in the mail from my nephew's ten year old daughter in B.C. addressed only, Aunt Ellen and Uncle Don, R2, Minden, Ont. Also marked 'Urgent and send Air Mail please'. Thanks for the year-round good service.

Ellen Holden
Minden.

The Senior League

On Wednesday the Staff put on a Christmas Concert for the Residents. The main part was a take-off of Snow White and the Seven Dwarfs, but only the names were the same.

The old Queen never made it to the magic mirror on time, Snow White didn't want to lay down, and Prince Charming was anything but handsome. The Dwarfs however sure were a happy lot and Sneezy almost sneezed us right off the stage.

The office staff also staged a skit in which a little boy prepared to go to a party. His mother gives him a good going over and empties his pockets of everything but the kitchen sink, but faints as she pulls out a mouse. The nurse washed his face and ears. The little boy was played by Sid Brown and he stole the show.

There were several commercials, too...but most enjoyed was the cat food one where two big pussy cats came out to the tune of Alley Cat.

Fred Ballard played the organ for us. Christine Vint made all the animals for our forest scene and they were just beautiful.

On Thursday the Auxiliary served the Christmas Tea Party and Santa arrived along with the two big Pussy Cats who helped Santa give a gift to each resident in the Home. These were all purchased and wrapped by the Auxiliary. Albert Hart was on hand to play the Christmas music on the organ.

On Friday evening we enjoyed a Carol Service put on by St. George's Anglican Church from Haliburton. Rev. Trevor Denny sang some solos and a young boys' choir did very well as this is their first year. They were under the direction of Bill Gliddon.

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT; and IN THE MATTER OF A proposed By-law of the Corporation of the Township of Lutterworth to stop up, close and convey parts of the original allowance for road between Lot 17, Concession 6, and Lot 17, Concession 7, in the Township of Lutterworth.

NOTICE IS HEREBY GIVEN, pursuant to Section 143 of The Municipal Act, R.S.O. 1970, as amended, that the Council of the Corporation of the Township of Lutterworth proposes to consider and if deemed advisable to pass at its regular meeting to be held at the Council Chambers on Highway No. 35, 3 miles south of Minden, on Monday, January 16th, 1978 at 10.00 am., a by-law to stop up, close and convey the following lands:-

Firstly

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Lutterworth, in the Provisional County of Haliburton, being composed of part of the original allowance for road between Lot 17, Concession 6, and Lot 17, Concession 7, in the said Township, and which said parcel or tract of land is more particularly described as follows:-

PREMISING that the bearings herein are astronomic, derived from the North Westerly limit of Part 1, Plan 19R-1465, having a bearing of North 27 degrees 16 minutes 35 seconds East.

COMMENCING at the North Westerly angle of the said Lot 17, Concession 6;

THENCE North 20 degrees 56 minutes West, 66.02 feet to the South Westerly angle of the said Lot 17, Concession 7;

THENCE North 67 degrees 49 minutes 30 seconds East along the Southerly limit of said Lot 17, Concession 7, a distance of 8.14 feet to a point in the Southerly limit of The King's Highway Number 35;

THENCE South 80 degrees 04 minutes East, 39.55 feet to an iron bar;

THENCE South 07 degrees 20 minutes East, 10.0 feet to an iron bar;

THENCE North 82 degrees 40 minutes East, 13.08 feet;

THENCE South 27 degrees 16 minutes 35 seconds West, 49.17 feet to an iron bar in the Northerly limit of said Lot 17, Concession 6;

THENCE South 67 degrees 49 minutes 30 seconds West along the aforesaid Northerly limit, 87.79 feet to the point of commencement.

Secondly

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Lutterworth, in the Provisional County of Haliburton, being composed of part of the original allowance for road between Lot 17, Concession 6, and Lot 17, Concession 7, in the said Township more particularly described as follows:-

COMMENCING at an iron bar situated North 20 degrees 56 minutes 10 seconds West, 33.01 feet from the North West corner of the said Lot 17, Concession 6;

THENCE South 20 degrees 56 minutes 10 seconds East, 33.01 feet to the North West corner of the said Lot 17, Concession 6;

THENCE South 69 degrees 49 minutes 30 seconds East, 547.13 feet to the intersection with the Northerly limit of Part 7 according to Plan P-2789-41 filed by the Department of Highways, Ontario, on the 19th day of December, 1968, as Instrument Number 42942;

THENCE South 82 degrees 40 minutes West, 257.49 feet to the intersection with the Easterly limit of Part 8 according to the said Plan No. P-2789-41;

THENCE North 69 degrees 49 minutes 30 seconds East along the Westerly limit of the above-noted original allowance for road to the North East corner of the said Lot 17, Concession 7;

THENCE South 20 degrees 56 minutes 10 seconds East to the point of commencement.

A copy of the surveys for the above-noted parcels of land is attached to the proposed by-law.

AND TAKE FURTHER NOTICE that before passing the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth shall then and there hear in person or by his or her Counsel, Solicitor or Agent, any person who claims that his or her land will be prejudicially affected by the said by-law and who applies to be heard.

DATED at the Township of Lutterworth this 28th day of November, 1977.

Mr. Wayne Hughes,
Clerk-Treasurer,
P.O. Box 176,
Minden, Ontario,
KOM 2K0

About the Town

with Jeanne Sears

On the evening of December 14, a meeting chaired by Barbara Bolen was held at Archie Stouffer Public School with over twenty people present. There was discussion as to courses which might be given at this school, but there must be 40 students before a teacher would come from Sir Sandford Fleming. General interest was in sociology, pottery, sketching and painting of various kinds. Another open meeting will be called early in January so that more people may be present.

Marian and Jack Kinsman and family left last Thursday for a holiday in the Bahamas.

The Dick Schell family have moved to a house near Hyland Crest formerly owned by R. Parisotto and Muriel and Murray Hodgins and infant have moved into the Schell home. There will be NO L.O.B.A. Card Party at the Orange Hall next Monday night as it is Boxing Night.

Sincere sympathy goes to the families and friends of the late Rex Boice and Holly Dawson whose funerals were since last week.

All their friends send good wishes to these people, Elwood Austin at Oshawa General hospital, Bob Guthrie at Bowmanville hospital, Holly Stevens at Ross Memorial and Mim Irwin at the local hospital. Bob Hughes and Lawrence Pritchard are out of hospital and both would appreciate a visit from any of his friends.

Mrs. Milligan and Bernice, Mrs. Roy Hall and Mrs. William Taylor were Thursday guests with Mr. and Mrs. Arnold Coulter.

Several other persons have gone south, the Gene Newells to Florida and Nora Hogg leaves soon for a holiday at Antigua.

Grant Porter arrived home on leave from N.S. and on his return is going to Wainwright, Alberta. He is spending his holiday with his parents, Mr. and Mrs. Bill Porter.

Saturday a goodly crowd of youngsters enjoyed the wagon ride behind Nesbitt's team and driver Basil Hewitt from Fire Hall to Case Realty and there were treated to hot dogs and pop. Cards with their names were placed on the Christmas tree there. Alfred Wickens made presentation of a \$100 cheque from Case Realty to Mrs. M. Sears for the new Minden Library Fund and she graciously thanked him and wished all a Happy Holiday.

The community sends belated good wishes to these people at Hyland Crest who celebrated birthday in December, Esther Rowbottom, Maude Boice and Raymond Geeza. The Minor Hockey Club are sponsoring a Show at Beaver Theatre on December 28 at 7.15 at minor cost and tickets are on sale while they last.

Showing are 'Race for your life, Charlie Brown' and 'Won Ton Ton'.

Hint of the week -- If you have some wrapping left, roll it up tightly and put inside of the cardboard roll, paste a scrap on the outside and you will have fresh wrappings for another time.

Last chance for sending in your design of a Crest for the Fair Board and Mrs. Lloyd Johnson will give you details, deadline is December 31.

We extend a great big 'Thank You' to all who help us make this writing so much easier whether with news items or verse. In this last column of 1977 we wish one and all a very Merry Christmas and Prosperous and Healthy New Year.

Cheerio until 1978.

'I don't believe in dying' At 110, he's wife-hunting

A product of Haliburton County where he was born in 1867, the year of Canada's Confederation, and where he still has relatives, David Trumble spent much of his life as a logger. In 1976 he became an author with his autobiographical 'When I Was A Boy'.

OTTAWA (CP) — David Albert Trumble looked up at a portrait of Sir John A. Macdonald in Opposition Leader Joe Clark office. He gave it a hearty wave and bellowed "Hello. Long time, no see."

Trumble, celebrating his 110th birthday, voted for Sir John almost 90 years ago and a grin crinkled his face as he gazed at the portrait of the country's first prime minister yesterday.

Clark said he hoped Trumble would live to see a couple more Progressive Conservative governments. And Trumble, Canada's oldest citizen, said he hoped he would too.

"I'm not looking for a hole in the ground," he said, chuckling. "I don't believe in dying."

Later, the former lumberjack and long-time resident of Northbrook, about halfway between Peterborough and Ottawa, north of Highway 7, visited the House of Commons, where MPs gave him a desk-thumping tribute as he stood, head bowed, in the public galleries above.

In an interview, Trumble said he attributes his long life to good behavior.

"Take good care of yourself, know your place, eat well, sleep well and don't worry," he advises others who want to live as long.

He has outlived four wives but says he's still not through with women: "I'm looking for another wife."

He has had 19 children.

Burning Rectal Itch Relieved In Minutes

Exclusive Healing Substance
Relieves Pain As It
Shrinks Hemorrhoids.

If you want satisfactory relief from 'Itching Piles'—here's good news. A renowned research laboratory has found a unique healing substance that promptly relieves the burning itch and pain—actually shrinks hemorrhoids. This substance has been shown to produce a most effective rate of healing.

In one case after another 'very striking improvement' was reported and verified. And most important... this improvement was maintained over a period of months.

All this was accomplished by a healing substance (Bio-Dyne)—which quickly helps heal injured cells and stimulate growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores—satisfaction or money refunded.

SHORT-HANDED HUSKIES TROUNCE COLBORNE 11-4

An unbelievable six-goal performance by left-winger Joe Roberts paced a hungry Haliburton Huskies team to an 11 to 4 win over Colborne in Haliburton last Friday night.

For Roberts and his line-mates Dwight Sisson and Andy Salvatori it was an 18 point night with Sisson netting 2 goals and 4 assists and Salvatori 5 assists.

Although minus four of its regular players, two of whom were under suspension and two others away, the Huskies quickly set the tempo for a wide-open, crowd pleasing game that sent the 150-odd spectators home happy.

In the first frame Haliburton picked up five goals against a lone Colborne marker, with Joe Roberts potting four himself and assisting on the fifth.

Scoring for Colborne was Pete Williams.

The second period saw Roberts add his fifth while Larry Stinson picked off another as did Colborne's Trevor McBride to make it 7-2 going into the final period.

In the last stanza Haliburton

on collected four more goals off the sticks of Joe Roberts, Derwin Barry, Dwight Sisson and Ed Roberts who was up from the Midgets for this game.

Colborne answered back with two power play goals but they were nowhere near enough to change the course of the game. Their marksmen were Garth Robbins and Ian Williams.

Fighting marred the third period producing a total of 16 penalties, two of them misconducts to Andy Salvatori of Haliburton and Glen Scriver of Colborne.

The Huskies outshot Colborne 38 to 27.

Meanwhile, bad weather forced the cancellation of two Huskies' games, last Wednesday against the Rice Lake Rangers at Bewdley and Sunday at Lakefield against the Lakefield Chiefs. Both will be made up at a later date, possibly over the holidays.

Tonight the Huskies take on Colborne again, this time at Colborne, then return to Haliburton for a tilt with the Rice Lake Rangers Friday night.

Fired-up PeeWee A's trim Oakwood

Oakwood tangled with a fired-up Minden PeeWee A's team early last week and lost resoundingly as the Minden club romped to a convincing 9-0 victory.

Eldon Bull led the sledge on Oakwood with four goals and one assist while Andrew Shapira found the range twice.

ice, Doug Schell, Scott Yake and Scott Hamilton each picked up singles. Robbie McLeod set up two goals while Jeff Stamp set up one as well.

In the second game of the week Minden squeaked out a 3-2 decision over Woodville in a well played game.

me. Woodville opened the scoring but their lead was short-lived as Eldon Bull scored seconds later to tie the score.

In the second frame both teams had their opportunities but neither club could find the range.

In the third stanza Tim Wo-

odville opened the period for Minden with a goal but Woodville came right back to tie the score two minutes later.

Doug Schell gave Minden the win and the final tally of the game with just 2:47 left in the period.

Tri County action

Haliburton Midgets down Minden 5-2

Despite a 2-0 lead off the stick of Bill Jones, Minden Midgets still went down to defeat at the hands of Haliburton last Sunday ending up on the wrong end of a 5-2 final score.

As Minden ran out of gas, Haliburton fought back with two goals each by Chris Roberts and Carl Brisco and a single marker by Dave Dodd.

unfair by many, requires each team to ice a minimum of eight players, two more than Fenelon could come up with for Sunday's game.

Leading the Minden contingent was Kevin Forbes who

sunk two goals while a single marker went to John Dillon.

ATOMS
Saturday, Minden's Atom B's took on Haliburton and

proceeded to down them 4-1.

Pacing the Minden team was Glen Hall who chalked up a two-goal performance with singles going to Daryl Ward and Gord Woods.

19 goals for Bantam A's in 2 games

The Minden Bantam A's took to the ice twice last week and won both times.

Their first victory was over Oakwood who were humbled by the score of 9-3. Minden had no problem defeating Oakwood and the sharpshooters for Minden were Harold Porter and Ron Yake with 3 apiece while Shaun Chapman added two with a single going to Ivan Ingram.

In their second outing the Bantams skated to an easy 8-2 decision over the same hapless Oakwood team. Again Minden dominated play for much of the game with Ron Yake and Shaun Chapman both firing the hat-trick of three goals apiece. Single markers went to Rick Beeney and Ivan Ingram, Scott Arbuthnot and Harold Porter picked up two assists apiece.

PEEWEEES

A lineup of only six players including their goaltender, made not a whit of difference to a high-flying Fenelon Falls PeeWee team as the shorthanded squad laced an outclassed Minden team 12-3 last Sunday.

Oddly enough, however, Fenelon may well lose the game by default if a special Tri County ruling is invoked. This rule, considered

In Europe they call us "Canada Fats".

Atom A's win, then tie in two outings

Greg Newell produced an excellent two-way hockey game last week to lead his Minden Atom A teammates to a well-played 3-1 decision over Ops.

The game was close throughout with both teams playing clean hockey.

Ron Smith turned in another good performance in goal to maintain his average of 1.00.

In the second Atom A encounter last weekend Beaverton and Minden played to a 3-3 tie. Mike Gorveatt scored twice in the first to

give Minden a two-goal lead.

Both teams were scoreless in the second period.

In the third Beaverton outscored Minden three goals to one to gain the tie. Minden's lone goal of the third came from Doug Schell.

1000 Lakes Bowling News by Joan Deyall

Carling O'Keefe Classic

Last week the Carling O'Keefe Classic tournament was bowled in Fenelon. I was right in mentioning that this tournament was designed for you the average bowler. Most of our winners were in the average to poor category. However, we did have a couple of winners in the better bowling average. If you still have not joined up for the Carling O'Keefe Classic and would like to, see Ron Robinson Sr., and I am sure he will see that you get in this exciting tournament.

The Carling O'Keefe Classic zone rounds will be bowled in Fenelon Falls on February 12, 1978 this year. Your house round will be during the first week in the new year on your regular night of bowling.

Fenelon winners were - Charlie Tomilson 818, Mike Co-

le 810, Keith Barrett 808, Lloyd Lee 803, Lois Ballam 771, June Lloyd 769, Tom Swann 758, Mike Quaranto 756, Betty Bartlett 752, Alice Johnson 751, Marilyn McGee 750, Ruth Diamond 749, Beth Telford 746, Len Mills 745, Dorothy Bulmer 743, Marg Smyth 742, Gary Putherford 738. Don't forget there are some real nice prizes for house winners as well as at zone level.

Merry Christmas

I would like to wish all my bowling friends at Carnarvon Lanes a very Merry Christmas and I sincerely hope that the coming year will hold many good scores for you all.

Juveniles win three in week

Minden's Juveniles played three times in the past week and won all three games. First of all they took on Omeme and played well despite losing the lead for a brief period before coming back to clinch the victory 6-5. The Juveniles then hosted Cannington last Friday and

came away with a strong performance and their second victory of the week by a score of 8-2.

Sunday, Minden tackled Sunderland in Sunderland and came up with a 9-5 victory in the well-played contest. Unfortunately, the names of the scorers in the Juvenile games are not available.

Huskies have one-point edge

BY Ida MacLachlan

The Huskies are leading in the Tuesday Mixed league's second series with 62 points. The Tuesday Terrors are a close second with 61 followed by the Tornados 54, Oversize Specials 53, Charlies Angels 48 and the Muppets 46.

Top averages for the men are as follows: Ron Robinson Sr. 214, Cliff Burke 208, Ed Cox 204, Dan Harding 201, Rick Harding 191 and Ron Robinson Jr. (after 3 games) 214.

The ladies: Marnie Robinson (after 6 games) 213, Audrey Fountain 193, Marlene Cook 186, Lil Martin 184, Debbie Harding 181.

The high single flat for the men: Ron Robinson Sr. 315, Fred Cox 313, Cliff Burke 291.

The ladies show Debbie Harding 287, Eva Sills 281 and Marlene Cook 273.

With the handicap the men's standings are: Fred Cox 361, Al Demchuk 323, Ron Robinson Sr. 317.

The ladies: Eva Sills 331, Debbie Harding 322, Barb Allison 310.

The high triple flat for the men: Fred Cox 817, Ed Cox 732 and Cliff Burke 730.

For the ladies: Marlene Cook 648, Marnie Robinson 667 and Debbie Harding 659.

The high triple with handicap: Fred Cox 922, John Mulse 817, Al Demchuk 813.

The ladies: Linda Thrope 796, Debbie Harding 785 and Joanne Robinson 739. Two couples remain in High Low doubles.

Len's Bottoms Up lead by 10 points

by Ida MacLachlan

Team standings of the Dorset Bowling league have Len's Bottoms Up well in the lead with 64, Ron's Easy Riders 54, Letta's What Nots 50, Richards Hookers 44, Mary's BobCats 43 and Cheryl's So Whats 39.

Men's high single shows Bob Webb 288, Boyd Griffen 283 and Ron Richardson 269.

The ladies high single: Mildred Richardson 345, Linda Baker 297 and Doris Keown 287.

Men's high triple: Bob Webb 695, Boyd Griffen 677 and Richard Keown 670.

The ladies high triple: Mildred Richardson 757, Anne Griffen 677 and Barbara Bu-

rk 665.

Ruth Gooderham and Ron Richardson, Annie Griffen and Alan Graham, Barbara Burk and Shirley Webb are the three couples still remaining in the running for the High Low doubles.

HOLIDAY STORE HOURS

Christmas Day	10-5
New Year's Day	10-10
All other days	10-10

In little new potatoes most of the vitamins and minerals are stored in (or right under) the skin, so simply scrub gently with a vegetable brush before cooking, even for salads.

With the New Year fast approaching I thought we could reflect back and see how far minor hockey has come in the Minden area. In the 16 years that I have been associated with Minden Minor hockey things have changed for the better than when organized hockey was first formed back in 1960 and we played in Minden's second rink, built where the Municipal Office is today.

People who helped bring about that embryo organization were the late Ralph Hussey, Earl Bush, Don Campbell, Harry Cowan and Bob Beeney to name just a few.

Sponsors were numerous and very helpful to minor hockey in the area: J.O. Jackson, Don Campbell, Easton's Red & White and Dollo's IGA were some of the first to give their assistance.

Since then many sponsors have helped minor hockey over the years with the outfitting of our league teams.

Many complain about how cold it gets in the present arena, myself included, but if you have ever frequented the old arena you really appreciate the new one. It was so cold, in fact that when we dressed for a game the slowest took about seven minutes and the fastest about four to dress.

The local popularity of the sport of hockey grew by leaps and bounds in the sixties with most of the youth in the surrounding Minden area taking part. Fan support was great at all levels, from PeeWee to the Teen Towners, and Minden had a reputation as an excellent hockey town not just because of the brand of hockey played but for the hospitality of the community. Hockey expanded to include the small fry, called Tykes at the time and now known as Novice and Atoms.

After years at the old Minden arena it was condemned and with it the end of an era.

In 1972-73 a new arena was built and a new group of people became more involved in hockey, the hockey season became longer and more pressure was placed on the boys playing hockey.

By the end of 1977 Minden was still entertaining fans but not nearly in the numbers it had in the 60's. Tri County was established as a second league thanks to Joe Cox and others.

Yes minor hockey in Minden area is established and flourishing thanks to the hard work and dedication of such as Ralph Hussey, Don Campbell, Earl Bush, Harry Cowan, Bob Beeney and the executive and coaches of Minden minor hockey teams right up to and including 1977.

Myself and many others may not always agree with Ross Warburton and the executive but no one is ready to step in and take over, either.

Well, now you know my viewpoint and the way I saw it happen.

There were many others who contributed greatly to our minor hockey, in fact too many to name here, but you should feel proud of your contribution to our community and the part you've played in promoting Minden Minor hockey.

Enjoy yourself in the New Year and have a very Merry Christmas.

Myke Harrison

Lakes not safe yet

Just ask someone who has already been wet. That water is cold! We thought the lakes would freeze solid much earlier this year, but the weatherman has double-crossed us. Sure, there's been plenty of cold but with it, too much snow. Snow insulates, and when it falls on thin lake ice even the coldest nights have little effect. The lakes must water up, (slush up) before there can be proper freezing. And, although some have done so, it's still too early in the season to trust the ice. Don't take chances. Check ice thickness before venturing out. Don't gamble your life on less than seven inches.

Driver-training gains interest

A couple of weeks ago we made a rather strong statement on the lack of response to the snowmobiler safety training and licensing program. Our words were effective. We are now all but swamped with inquiries and will be hard pressed to handle the volume of registrants in the next couple of months. We can only say to those who are coming in now, 'Register as early as YOU can. We'll take you as early as WE can.

Here are answers to some of the most frequently asked questions.

'What does the course cost each student?'

When the program was established by the Ministry of Transportation and Communication, in co-operation with the Ontario Safety League and the Ontario Federation of Snowmobile Clubs, a fee of \$6.25 was established on a trial basis for the first contract year. To get the program off the ground, some funding was provided by the Ministry. This was to cover initial costs of instructor training, instructors manuals, etc. With approximately 10,000 students trained in the first year, the program broke about even. This year however, there can be no additional funding. The snowmobile operator safety training program must, like other training programs under the MTC, be entirely self-supporting. Following the present fee structure the budget committee has forecast a deficit in this second year of approximately \$9,000. To offset this deficit, the fee will be increased to \$7.50 as of January 1st, 1978.

'What does the student get for his fee?'

Most importantly, he (or she) will receive six hours of instruction from a certified club instructor. These instructors are carefully chosen for their knowledge of the snow vehicle, their attitude toward safety in operation, and their ability to make themselves understood. Each instructor was given an aptitude test before his final selection, then an intensive course on teaching procedure, and finally a strenuous written examination. All have a better-than-average understanding of all aspects of snowmobiling. A few are professional teachers. Each and every instructor in Ontario is a snowmobile club member. Club snowmobilers ONLY were selected because no fatality has ever been recorded as having happened in a snowmobile club activity. The instructor's time, to a large extent, is donated. A small fee is written into the program for him, but usually this barely covers actual expenses. At the start of the course the student will be given (1) The Snowmobiler's Handbook - a breakdown of important regulations, safety tips, wind chill factor chart, and other valuable information.

(2) The Snowmobiler's Safety Guide - containing all the pertinent points covered in the course for later study and ready reference.

(3) Dangerous Dan and Safety Sam - a collection of specially drawn cartoons to illustrate forcefully yet humorously the hazardous situations to be avoided in snowmobiling.

(4) A Guide to Snowmobiling in Ontario - MTC folder setting out in abbreviated form the major regulations in the Ontario Motorized Snow Vehicles Act 1974. All of these are the student's to keep.

At the conclusion of the course, the student is given an examination in which he must answer correctly 20 of 25 questions. This constitutes an 80% passing grade. When a student is failed (flunks out) he is given an opportunity to enroll for a later school at no additional charge. When a student graduates he is issued a certificate of proficiency, signed by the instructor, which becomes a snow ve-

nicle operator's licence upon validation by the MTC Driver Examiner. (There is a \$2 fee for validation).

'How soon can my child (children) be trained?'

This depends on the demand, the availability of an instructor, the availability of a suitable location. It takes two to three weeks to set up a school. The O.F.S.C. Driver-Training office must be informed in advance, and they in turn pass the date on to the MTC. This is to allow the Ministry ample time to schedule school inspection or spot-checks on instructors' performances. Example: a training session is scheduled in the Harcourt Community Centre for 9 am on Saturday, January 7, 1978. The plan began to formulate after the second inquiry from Harcourt established a need for a school in that community. Instructor availability and prior notice time considered, the earliest possible date is January 7th. In general, from the first contact by letter or telephone a student may expect a time lapse of up to one month. Fifteen students per class is considered the optimum number for proper training. Instructors are ORDERED to adhere as closely as possible to this rule. An instructor may lose his certificate for taking more than twenty. Please, don't twist his arm. Late registrations go on the waiting list.

'How long is the licence good for?'

To the best of our knowledge, indefinitely. There are no provisions at this time for a renewal date. The motorized snow vehicle operators licence will become void when the holder obtains a car drivers licence. The average holder will do this within a few years.

'We are not club members. Can our child be trained?'

Yes. The program is non-selective. However, we strongly advise that you join a snowmobile club for the benefits far exceed the cost. This safety training course, for example, would not have been available without the snowmobile clubs.

'At what age is a child eligible?'

Twelve years. An operators licence is required to drive a snowmobile on public trails. At fourteen years the licence permits crossing of roadways. At sixteen years the holder may operate a snow vehicle along a roadway (where permitted) as may anyone holding a valid operators or chauffeurs licence.

'How do I get more information?'

Write to: Roy Bates (Master Instructor) RR #2, Haliburton, Ont., KOM 1S0. Or phone: 457-1658. Or contact your local snowmobile club.

Lone car crash mars week

With just one, lone car crash to mar the past week across Haliburton County, hopeful Ontario Provincial Police would very much like to see this trend continue right on through the holiday season.

While roads are clear for the most part the sleet, rain, snow and wildly varying temperatures of the past week have made driving quite slippery, if not downright treacherous in spots.

Lone crash of the week occurred last Thursday morning on Highway 648 in the Harcourt area when an east-bound car driven by Sharon L. Barnes, 20, of Wilberforce, went out of control in slush while rounding a curve and went into the north ditch where it struck some small trees.

No one was hurt but the car sustained some \$300 damage.

Investigation by Provincial Constable Bob Pearson. DRIVE SAFELY THIS HOLIDAY!

PARTIES, CONCERTS MARK YULE FESTIVITIES

Parties, pageants and concerts were the order of the day this past week as organizations and institutions got into the Christmas spirit. Clockwise from the top: Archie Stouffer pupils presented their Christmas Concert last Thursday evening with almost every last youngster taking part; Thursday afternoon Santa Claus came to Hyland Crest Senior Citizens' Home and few of the residents were backward about speaking to him; previous evening the Home held its Christmas Concert, the theme being Snow White and other skits. Here Olive Hamilton helps Sid Brown prepare for a little boy's party; that blank expression on Lil Rawlins' face is really a pie-in-the-face from Jackie Gostlin; Lil Rawlins as the Queen in Snow White with The Woodsman, Jack Shaw; Santa kisses 'Pussycat' to the delight of the Home's residents.

HAPPY HOLIDAY'S FROM ALL OF US
AT PETERBOROUGH LUMBER

Real Christmas Spirit

Willard P. Franklin was strictly a loner. From the first day he entered my classroom, Willard had existed in his own world. My attempts to be friendly had met with total indifference; his classmates fared no better.

Shortly after Thanksgiving, we received word of the annual Christmas collection. "Christmas is a time for giving," I told my students. "There are some needy families in our own school district who might not have a happy holiday without the food, clothing, and toys our collection provides. You can help by bringing in your contributions tomorrow."

When I called for the contributions the next day, almost everyone had forgotten. Everyone except Willard. The boy dug deep in his pockets and dropped a nickel into the container. "I don't need no milk for lunch," he mumbled. And for a moment, just a moment, he smiled.

That night after school I took our meager collection to the principal. I told him about Willard's generosity. "I might be wrong," I said, "but I believe Willard may be ready to open up to the world."

"Yes," the principal nodded. "But I have a hunch we might profit even more from opening up to his world. I just received the list of poor families who most need our Christmas collection this year. And do you know whose family heads the list? Willard P. Franklin's."

- Dave Collins in Catholic Digest

Kin Korner

by Kin Rob Young

The Minden Kinsmen Club held their last meeting for 1977 at the Wagon Wheel Motel accompanied by the K-40 members. There was excellent attendance from each club. The K-40 Club is a reasonably new organization made up of past presidents, executives and strong working Kinsmen over 40 years of age. This is a distinguished group which we were proud to have attend fellowship with us. Combining new ideas and experience makes us stronger and shows us the true meaning of Kinsmen and Fellowship. Thanks to the Owners and Staff at the Wagon Wheel Motel and Best to All in 1978.
